

FAASTeam presents:

Private Pilot Bucket List

Congratulations, you've earned the coveted Private Pilot License. You undoubtedly have a longlist of things you want to do and places you want to go. There are so many reasons to fly and so many great flying challenges that await us, it's a shame some pilots rarely push themselves beyond a \$100 hamburger flight. Join us for this exciting discussion that will give you new ideas for ways to use your pilot skills and share the wonder of California with your family and friends. Michael Vowles, coordinator of the Bay Area New Pilots group, will share some new ideas gathered from interviewing scores of pilots. On their bucket lists were flights specifically targeted at new nearby destinations, flights oriented around food, flights designed to stretch a new pilot's skills and flights just for fun. For more information about this and any of our weekly seminars, please visit <http://sancarlosflightcenter.com/scfc-events/>.

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner.
